

Currumbin Wildlife Hospital Vet Nurse

- Casual

National Trust of Australia Queensland (NTAQ) is a membership-based community organisation and registered charity that works to protect, conserve and celebrate the Environmental, Built and Cultural heritage of our State, affiliated with the Australian and international National Trusts. The NTAQ collection includes Currumbin Wildlife Sanctuary, and the renowned Currumbin Wildlife Hospital.

We are currently seeking a passionate and experienced Veterinary Nurse to join our team within the Currumbin Wildlife Hospital. The Wildlife Hospital seeks to provide gold standard care to injured native local fauna and sanctuary animals. We are on show to members of the public who can view our surgical theatre and treatment areas. The Vet Hospital team see in excess of 12,000 wildlife cases a year and we aim to treat, rehabilitate and release as many of those animals as we can as a free service to the community.

Position details & duties

- Responsible for providing an exceptional standard of health monitoring, clinical nursing and husbandry care to the Hospitals native wildlife and exotic patients
