

# COMMUNITY COURSES

Learning at The Sanctuary

## AUSSIE WILDLIFE COURSE

The Aussie Wildlife Course is an introductory course developed to train enthusiastic members of our community to provide emergency care for sick, injured or orphaned native wildlife.

Age Requirement: 14 years and over with parent consent

This course is conducted as an 8 week evening course or a weekend condensed course

Upcoming course dates:

- 6 February 2019
- 24 July 2019

Upcoming weekend course date:

- 19 October 2019

## ADVANCED AUSSIE WILDLIFE COURSE

Following on from the Aussie Wildlife Course comes the new Advanced Course, presented by Currumbin Wildlife Sanctuary's veterinarians and hospital staff. Using the Currumbin Wildlife Hospital facilities, the advanced course will explore the unique anatomy and physiology of Australia's wildlife.

Age Requirement: 16 years and over with parent consent

This course is conducted as a 4 week evening course

Upcoming course dates:

- 7 November 2019

Must have completed the Aussie Wildlife course or have prior experience

## INSIGHT INTO VET NURSING

Ever wanted to know what it is like to walk in the shoes of a vet nurse? Maybe you are considering a career change, looking to become a vet nurse, or are interested in the operations of a veterinary hospital. This course is presented by qualified vets and vet nurses and provides an insight into the role of a vet nurse, and their importance in caring for animals.

Age Requirement: 14 years and over with parent consent

This course is conducted as an 8 week evening course

Upcoming course dates:

- 1 May 2019
- 16 October 2019

## AUSTRALIAN MAMMALS: OUR BACKYARD BUDDIES

This program teaches basic anatomy and physiology of Australian native mammals. Led by our Mammal Supervisor and Koala Specialist, students also learn how to look after injured animals. This hands-on and engaging course will leave you empowered with knowledge about our mammals.

Age Requirement: 14 years and over with parent consent

This course is conducted as a weekend condensed course

Upcoming course dates:

- 27 July 2019
- 7 Dec 2019
