

## Bungalow Bay Zoo Keeper

- Full Time Position commencing Mid December 2017

We are seeking an experienced zoo keeper to join our multi skilled team on Magnetic Island within the Koala Village. Our team delivers 3 educational tours daily to a predominantly international clientele with a large focus on our Koala's.

The Koala Village is a "boutique" style sanctuary offering visitors 3 daily educational tours with interaction with native wildlife, southern hairy nosed wombats, crocodiles, lizards, cockatoos and our resident Koala's. Plus offering breakfast with the Koala's 3 mornings per week. Our location is on Magnetic Island, an island on the Great Barrier Reef - Complete with all the amenities of a coastal town.

A multi tasking environment will see you working in all aspects of animal husbandry with reptiles, marsupials and Birds. A large focus in on Koala's and previous experience would be advantageous to the right candidate.

It's multiskilled..... Are you a natural organiser? If so apply now.

To be considered for the position you will meet the following criteria:

- Proven animal husbandry experience
- Educator at heart, competent delivery on animal experiences and presentations
- Proven communication skills in a small team environment
- Self starter with initiative
- Guest satisfaction is of upmost importance
- Koala Experience is advantageous in this role

TO APPLY for the position:

Your application will include a current resume plus a cover letter outlining your suitability to the above criteria for the "ZOO KEEPER" position in Microsoft Word format. A start date in mid December is required for this position.

Please send application to [brett@bungalowbay.com.au](mailto:brett@bungalowbay.com.au)

Living on the island:

First 2 weeks can be negotiated if moving to Magnetic Island to stay with us on site free of charge.

Many rooms, units and houses to move into, a community based island with 1500 local residents call Magnetic Island home.
