

Adelaide Zoo Keeper Presenter

- Permanent Full time position

We are seeking an individual with animal husbandry experience, animal training awareness and presentation skills to work at their Adelaide Zoo site. Candidates must possess experience in caring for animals in a work setting.

This role is within the Kid's Zoo area of the Nature Theatre Section. The successful applicant will be responsible for daily duties and will have proven husbandry experience with native and domestic animals, reptiles, fish and invertebrates. Skills and experience with a wide range of taxa would be advantageous due to the diversity of animals within this section.

Excellent team working abilities, presentation skills, animal training awareness, a flexible approach to work and a commitment to Work Health and Safety will be highly regarded.

This is an area where there is significant exposure to and interaction with the public and where the collection can change regularly, so excellent customer service, communication and time management skills are essential.

To be considered for this position you will need to meet the following selection criteria:

- Native, Domestic, Reptile, Fish & Invertebrates husbandry skills
- Knowledge and experience in animal training
- Workplace Health & Safety knowledge
- Time Management Skills
- Solid Communication skill
- Strong customer service skills
- Presentation and public speaking skills
