

General Keeper Full time position

Central Coast Zoo is a small family run business located on the Central Coast. We are home to a wide range of animals, including native, domestic and exotic species.

We are rapidly expanding our collection and are looking for keepers to join our dynamic team for an exciting future as we continue to expand.

We have an exciting opportunity for a General Zoo Keeper position working across our bird, Native and Domestic collection.

We are seeking a full-time Zoo Keeper. This person will be responsible for the daily care of a wide range of taxa, including native and exotic mammals, birds and reptiles.

This position involves the duties included in zoo keeping, including food prep, feeding, lots of cleaning, public encounters and presentations. This can also potentially include work within our education department with our outreach programs.

Selection Criteria:

- At least 1 year's full-time experience in zoo keeping or equivalent and all related duties
- Cert III in Captive Animal Management or equivalent
- Knowledge of the 5 domains of animal welfare and how to apply them
- Current First Aid Certificate
- Current Working With Children Check

- Manual Driver's license

- Able to work independently and as part of a team
- Professional approach and neat appearance
- Confident public speaker
- Good knowledge of Health and Safety
- Positive 'can do' attitude
- Efficient time management skills
- Effective verbal and written English communication skills.

For the Position Description or more information, please contact the email address below and request to request an information pack. For park information please see our website for details.

Please read the selection criteria before applying and send your cover letter and resume to:
jobs@centralcoastzoo.com.au

Applications close: Thursday 1st June 2022
