

D'Aguilar Wildlife Part time Keepers

Granada Productions is excited to announce we have two keeping positions available on a large scale, reality television program filmed in the Gold Coast Hinterland / Northern NSW area.

The positions available are: 2 x Part time Keeper (Starting Late October). Positions for the right applicants will be available from October 2019 to December 2019 with the opportunity for extension in early 2020.

While we are seeking experienced keeping personnel, the roles available provide the opportunity to learn more about the varied aspects of managing captive wildlife. They will encompass husbandry based tasks as well as the opportunity to take part in various aspects of the production. Local applicants are encouraged to apply as accommodation is not provided for these roles.

Duties will include though are not limited to:

- Preparation and provision of animal diets
- Cleaning and maintenance of animal enclosures
- Maintain colonies of invertebrates and aquatic creatures.
- Prepare and identify a range of insects.
- Transport of animals.
- Have strong verbal and written communication skills, including maintaining accurate records.

Desirable attributes include:

- Two years experience in a captive animal institution
- Good practical and maintenance skills
- Ability to use and operate tools - for general and exhibit maintenance
- A responsible and mature attitude
- A good level of physical fitness
- Ability to work under pressure
- Ability to work alone
- Ability to follow instruction
- Ability to work and communicate with suppliers
- A current drivers license
- Experience with invertebrates and aquatic creatures.
- Experience with Reptiles including non-venomous snakes.

Apply now by sending your resume and cover letter to ben@daguilarwildlife.com.au and amy.bell@itv.com Applications will only be accepted via e-mail.

Applications close: 20th September 2019.
