

Healesville Sanctuary Locum Veterinary Nurse

- Casual position
- Working weekdays, weekends and public holidays
- Salary - \$35.1278 per hour + 9.5% superannuation

Zoos Victoria operates three landmark zoos, Healesville Sanctuary, Melbourne Zoo and Werribee Open Range Zoo. Victoria's zoos are made up of passionate, energetic and driven employees committed to fighting wildlife extinction. Every person, from the extensive range of disciplines, plays an important role in helping the organisation realise its vision to become the world leading zoo-based conservation organisation.

Healesville Sanctuary, Australia's premier wildlife sanctuary, is seeking a dynamic Veterinary Nurse to join the team at the Australian Wildlife Health Centre, a state of the art facility designed specifically for animal patients and zoo visitors.

The key responsibilities for the role are to:

- Undertake duties such as surgical, medical and diagnostic procedures,
- Provide animal husbandry for a variety of different species,
- Capture and restraint of different species,
- Provide general health and welfare to animals across a variety of native animal species

The successful candidate will require:

- A current Certificate IV in Veterinary Nursing
- Strong practical veterinary nursing experience
- Strong communication skills (verbal and written)
- An ability to work in a team and independently
- An ability to engage with customers/visitors and promote Zoos Victoria's key messages
- Able to carry out manual handling tasks on a regular basis and be able to lift over 10 kg comfortably

You will be required to be available for shifts at short notice, these will include weekends, and some public holidays. This role involves physical work, as well as a current driver's license. You should also be willing to participate in additional training as required.
