

Healesville Sanctuary Sustainability Officer

- Full-time fixed term position from January/February 2018 to 30 June 2019
- Monday to Friday roster
- Salary range - \$68,553.00 to \$76,184.00 per annum + 9.5% Superannuation

Zoos Victoria operates three landmark Zoos, Healesville Sanctuary, Melbourne Zoo and Werribee Open Range Zoo. Our Zoos are made up of passionate, energetic and driven employees committed to fighting wildlife extinction. Every person, from the extensive range of disciplines, plays an important role in helping the organisation realise its vision to become the world leading zoo-based conservation organisation.

Reporting to the General Manager of Operations, the Sustainability Officer is responsible for the planning and implement the 'Zero Waste to Landfill' program at Healesville Sanctuary, and assist in the delivery of other Environmental Sustainability (ES) programs across property.

The ideal candidate will:

- Have a passion for the role of Zoos in providing world leading wildlife experience, education, conservation and research in a changing and complex environment
- Good understanding of and ability to manage Environmental Management Systems to ISO 14001 standard or equivalent
- Contemporary knowledge, technical and research capacity in the fields of sustainable practices including resource efficiency, waste minimisation, renewable energy, and environmental management systems
- Strong experience in managing multiple tasks, meeting deadlines and decision making that results in lower waste to landfill, water and energy use
- Possess well developed written and verbal communication skills
- Have solid experience with initiating and recommending improvements to management procedures and techniques
- Have experience and a partnership approach to working with utilities providers and waste contractors
- Have a well-developed network of industry contacts
