

Melbourne Zoo Wild Seas Keeper

- 1 x Fixed-term Full-time position (10 months) until 26th January 2019
- Open to Trade level keepers only
- Roster includes working 2 in 4 weekends

Zoos Victoria operates three landmark zoos, Healesville Sanctuary, Melbourne Zoo and Werribee Open Range Zoo. Victoria's zoos are made up of passionate, energetic and driven employees committed to fighting wildlife extinction. Every person, from the extensive range of disciplines, plays an important role in helping the organisation realise its vision to become the world leading zoo-based conservation organisation.

We currently have an opportunity for a confident, positive and enthusiastic keeper to join the Wild Sea Precinct.

The ideal candidate will:

- Have marine mammal keeping experience
- Have experience with animal training and enrichment
- Be able to work independently as well as in a team environment
- Have knowledge of Zoos Victoria's vision and values
- Have a strong focus on safety
- Have strong problem solving skills
- Have strong written and verbal communication skills

Highly regarded experience:

- An open water scuba diving certificate
- Husbandry experience with ungulates, carnivores and aquatic animals.
- Experience with aquatic life support systems.

You will be required to be physically able to undertake work (which will be determined by a pre-employment medical assessment) and be willing to participate in additional training as required.
