

Perth Zoo Veterinarian x 2

- Position numbers: 3120768 and 3120767
- PSGOCSAGA, Specified Calling Level 2, \$92,548 - \$102,179 p.a. pro rata plus 9.5% Superannuation

If you are passionate about the natural world we live in, can aspire to the values we operate by and would like the opportunity to make a difference in a unique organisation then consider joining Perth Zoo.

We are recognised internationally for our breeding programs and conservation work and we are a major tourist attraction in Western Australia. Perth Zoo employs over 200 people and our success stories are a direct result of the passion and drive of our committed staff. We are always on the look-out for people who share our vision and want to contribute to saving wildlife.

Similar appointments may be made from this process in locations throughout Western Australia within a 12 month period to positions that may be permanent or contract, including contract appointments with the possibility of subsequent permanency.

3120768 IS A PERMANENT, PART-TIME (0.8 FTE) POSITION WEEK DAYS ONLY

3120767 IS A 2 YEAR FIXED-TERM, PART-TIME (0.5 FTE) POSITION INCLUDING WEEKEND WORK (SATURDAY)
(WITH THE POSSIBILITY OF EXTENSION OR PERMANENCY)

PLEASE NOTE IN YOUR COVERING LETTER WHICH POSITION/S YOU WISH TO APPLY FOR.

Job Description

These positions are involved in the day to day provision of animal health care in the Zoo, through case management, disease investigation and liaison with animal husbandry staff. Under the direction of the senior veterinarian, these positions contribute veterinary expertise to collection management goals such as breeding programs. These positions assist in the teaching of postgraduate and undergraduate veterinary students.

Perth Zoo operates within a conservation and tourism environment with a strong focus on community engagement, learning and development. As a values driven organisation, Perth Zoo is committed to the achievement of conservation outcomes and a workplace that delivers environmental sustainability, equal opportunity and safe practices. We are looking for someone who is committed to supporting and upholding our organisational values in the achievement of the Zoo's objectives.

Selection Criteria

Within this context, the successful applicant will demonstrate an ability to apply the following knowledge and skills to this role.

Applicants should address the following six (6) criteria. These should be addressed in no more than four (4) pages in total.

- Licensed, or eligibility, to practice veterinary medicine in Western Australia.
- Experience in the provision of animal health care in a zoo or similar environment.
- Veterinary experience with a range of non-domestic species, including medicine, surgery, disease investigation and chemical restraint.
- Demonstrated ability to effectively participate in a small team by setting priorities, creating plans and coordinating activities to achieve organisational outcomes.
- Excellent written and verbal communication skills.
- Experience in domestic animal surgery, medicine and diagnostic techniques.

Note: In accordance with relevant legislation and departmental policy, the successful applicant will be required to possess or obtain a current and satisfactory National Police Check prior to commencement.
