

Phillip Island Nature Parks Wildlife Rehabilitation Ranger

Fixed Term contract - Full-Time 7 day roster Position (until 5 March 2019)

The Nature Parks is an inspiring workplace and, as the largest employer on Phillip Island, offers a range of career paths. Our people are enthusiastic, committed and professional in what they do. They work across a broad range of activities and have many opportunities available to them should they wish to develop their skills, work in different locations or have a variety of roles.

The Wildlife Rehabilitation Ranger will work across the following:

- Undertake the rescue and rehabilitation of sick and injured wildlife, with a strong focus on seabirds
- Perform daily duties in the Phillip Island Nature Parks Wildlife Clinic
- Assist with the protection and enhancement of the Phillip Island Nature Park, its wildlife and habitat

To be successful in this position you will need to address the following criteria:

- Hold a tertiary qualification in Veterinary Nursing, Animal Management or equivalent demonstrated experience
- Demonstrated experience working in a wildlife clinic or with wild animal rehabilitation
- Sound understanding of seabird rescue, rehabilitation and release
- An excellent understanding of wildlife clinic policies, practices and procedures
- Highly developed communication and interpersonal skills, including community liaison expertise
- Proficient in the use of computers and GPS to collect, process and analyse data to present reports
