Mō tātou, ā, mō kā uri ā muri ake nei - for us and our children after us.

Kia ora! Looking for an opportunity to work for Ngāi Tahu Tourism, an organisation that has manaakitanga (taking care of people) at the heart of everything we do?

Ngāi Tahu Tourism hosts more than one million manuhiri (visitors) a year across our thirteen iconic businesses, with a fourteenth, the All Blacks Experience, due to open in 2020.

We're looking for a passionate and experienced Assistant Wildlife Husbandry Manager to assist our Wildlife Husbandry Manager with the day to day operations of the husbandry as well as provide technical expertise regarding all species at Rainbow Springs.

Rainbow Springs Nature Park is set in 22 acres of beautiful native trees and streams and is home to a variety of New Zealand's most precious inhabitants, including kiwi, trout, tuatara and native birds. Our nature park also features a kiwi hatchery and rearing facility - the country's largest and most successful kiwi conservation centre.

We take great pride in warmly welcoming manuhiri (visitors) to our experiences. Manaakitanga (hospitality) is one of the core values that drives the way we do business. As hosts, we care for our visitors and our team as our own whānau.
