

## SEA LIFE Sydney Displays Supervisor

Are you passionate about marine conservation, animal welfare and creating amazing displays? Would you like to join our fantastic team with a purpose of inspiring love for the oceans? We have exciting opportunities to join us at SEA LIFE Sydney Aquarium as Curatorial Department Supervisors.

### About the Role

All of our roles are focused on ensuring we provide amazing experiences to our visitors whilst providing excellent welfare for our animals.

We have two roles:

1. Key focus around Penguins
2. Key focus on Aquatic Displays

Key responsibilities for both roles will include (but are not limited to);

- Ensure the delivery of consistently high standards of displays, animal welfare and life support systems operation
- Lead the development of the SLSA Curatorial team members in your areas of responsibility
- Manage operations of displays on a day-to-day basis that meets with requirements of animals and site strategies.
- Implement rigorous Health and Safety procedures that meet the requirements of Merlin WHS policies and local authorities
- Support the Displays Curator and Displays Managers and help to integrate and cross train teams throughout the aquarium
- Develop efficient record keeping, daily routines and maintenance schedules that are consistent with the rest of the aquarium and that promote the ability to cross train teams.

### About You

The ideal candidate for this role will have a passion for the marine environment and public engagement.

You will:

- Have at least 5 years proven aquatic animal husbandry or penguin experience
- You will have a high degree of supervisory skills in an aquatic displays capacity
- Be a clear communicator, good planner with strong organisation skills
- Be adept at problem solving and proactive with a solutions focus

The following qualifications would be an advantage:

- Certified rescue diver or above
- First aid and O2 provision certificate
- The AS2299 commercial dive medical and have the ability to dive regularly

- A Bachelor's degree in Zoology or Biology or an equivalent Animal Care Diploma

#### Benefits

Great people, great perks! Alongside a fun and collaborative environment, with a competitive salary, you can enjoy our amazing benefits package, including a discretionary company bonus, corporate partnership discounts, and of course, a Merlin Magic Pass, which entitles you and your family and friends free admission to all our attractions worldwide. Perhaps the biggest benefit of joining us however, are the invaluable opportunities through our School of Magic for further career training and development across our ever-expanding group.
