

Sea World Marine Animal Trainer

- \$22.27 per hour Part-Time

About the role:

You will provide a level of care, enrichment and husbandry to ensure appropriate welfare and standards are maintained for the relevant animal collection. You will train and share responsibility for presenting our mammals in our live shows, keeper talks and interactive programs. You will be required to pass relevant audition criteria including swimming, training knowledge test and speaking on a microphone.

Duties:

- Undertake animal husbandry and exhibit maintenance tasks for animals and exhibits in assigned area
- Develop an understanding of animal training and conditioning techniques
- Assist with organisation and planning of feeding schedules and training of animal behaviours
- Provide the general public with correct information about our animals

Skills and Experience:

- Knowledge of operant conditioning
- Bachelor of Science degree or Certificate III in Captive Animal Management is required
- Experience in public speaking
- Manual car drivers license
- Available to work on any day including weekends

Benefits:

- Unlimited free entry to our theme parks
- Food and beverage and retail discounts
- Unique team member events
- Opportunity for professional development

About the company:

Village Roadshow Theme Parks comprises of Warner Bros. Movie World, Wet 'n' Wild Gold Coast, Paradise Country, Australian Outback Spectacular, Village Roadshow Studios, Sea World and Sea World Resort. We encourage a fun, entertaining and enthusiastic environment!
