

Wellington Zoo Nutrition Assistant

Wellington Zoo is committed to its vision of being the zoo with the biggest heart. We care about making connections between animals, people and our environment, while growing love and support for our Zoo. We punch above our weight in leading the way through connecting people with animals, saving animals in the wild and ensuring we're a voice to be heard.

We are guided by the ethos Me Tiaki, Kia Ora! We must look after our environment, so all things will flourish. We lead the way in modelling sustainable behaviours, and it is up to us collectively to make a difference for animals and the wild places they call home.

We currently have an exciting opportunity for someone to join our Animal Science team as a Nutrition Assistant on a permanent full time basis. The successful applicant will support the provision and preparation of daily diets for all animals in the Zoo's care

To be considered for this opportunity you will need to have:

- A sound knowledge of food preparation, food and facility hygiene practices;
- Experience using computer programmes including spreadsheets and databases
- The ability to work with limited supervision, solve problems and work well in a team environment.
- Understanding of and commitment to conservation and environmental sustainability;
- Good written and verbal communication skills.

Applicants for this position should have NZ residency or a valid NZ work permit.

The successful applicant would have a starting date of the 8th June 2020.
