

## Werribee Open Range Zoo Life Sciences Project Officer

- Leading animal acquisitions planning for the Werribee Open Range Zoo Master Plan
- Designing and development of zoo enclosures and exhibits
- Fixed Term Full Time for 12 months

Zoos Victoria operates three landmark zoos, Healesville Sanctuary, Melbourne Zoo and Werribee Open Range Zoo. Victoria's zoos are made up of passionate, energetic and driven employees committed to fighting wildlife extinction. Every person, from the extensive range of disciplines, plays an important role in helping the organisation realise its vision to become a world leading zoo-based conservation organisation.

We are at an exciting time at Werribee Open Range Zoo with the development of a Master Plan that will see tremendous growth and development. This new position will lead the animal acquisition planning and delivery, providing expert advice and guidance, towards the husbandry and animal welfare design and operational requirements in the Master Plan Development.

Candidates must have significant experience in animal husbandry in a zoo or similar setting, experience with the design and development of zoo enclosures and exhibits and experience in animal acquisition or animal movements.
